MURPHY, the Jeweler.

W. W. Ball, Cashier of the First National Bank, received a dispatch yesterday morning from his son, Winslow, who is a student of Kentucky Wesleyan College at Winchester, stating that the College burned that day, causing a loss of about \$75,000, with insurance about one-third that amount. It is believed that the fire started from an overheated furnace. All the interior equipments of the handsome College were destroyed, including the costly Fifth Library. The College was the official school of the Methodist Episcopal Church, South.

At the burning recently of the Poth stables in the East End it is said the loss would not have been so great had the fire plug not have been stopped up with rocks and foreign substance which prevented the water flowing freely. It is a very important matter and it should be seen to that the plugs are flushed and cleaned out at least once a month. Should a fire occur during this zero weather and the water supply not up to the requirements, owing to a lack of attention, it would be a terrible misfortune. It is somebody's duty to see that they are properly looked after and it should be attended to at once before we have a fire.

GEORGE W. CRAWFORD.

Mr. George W. Crawford died at his home in East Second street yesterday afternoon at 5 o'clock, after suffering intense agony from blood poisoning.

He injured his thumb some ten days ago by the penetration of a wire nail, and notwithstanding he received the best of medical attention he passed away, as above stated.

The deceased was 56 years old and was born near Washington, where he resided until coming to this city years ago.

He leaves a wife and five children—two girls and three boys—to mourn his loss.

The funeral will be at the home tomorrow at 2 o'clock, with services by Rev. M. A. Banker.

Interment in Maysville Cemetery.

## GORGED AGAIN

### The Ice in the River Stopped Running Yesterday Afternoon

The river blocked again yesterday afternoon about 2 o'clock, and ten minutes thereafter four men from Aberdeen crossed to this side. Never in the memory of the oldest riverman did conditions present themselves as now confront the river craft in this vicinity.

The ice is piled ten feet high all along the city front, and the danger attending the boats at the wharf has been multiplied ten times.

The river is falling here, which will again place the Tacoma in jeopardy.

A sudden rise of ten feet of water will carry the ice over the top of the piers, and nothing on earth will stay or prevent it sweeping everything before it like chaff in a windstorm.

The outlook is the worst ever presented.

The only hope is that it might go with a

## ALL-DAY SERVICES

### The Evangelistic Meetings Yesterday of Unusual Interest

Yesterday was a great day in the history of our present revival services.

It seemed like Sunday, for the day was given to the Lord. From early morning until the evening people were attending Church, and every meeting was crowded with a listening audience of men, women and young people.

In the touching consecration service of the morning, Dr. Ely spoke about the cross of the Christian in the performance of duty. Every service has its cross which the Christian should be willing to bear. When you pray for a man's salvation, follow up your prayer by going to that person and speaking to him about his soul. The Doctor's thought was enforced by beautiful illustrations.

The Men's meeting in the afternoon was an inspiring service. The First Presbyterian Church was simply a "sea of upturned faces" of working men and business men eager for the message of the hour.

The occasion will not soon be forgotten by those present. After a few brief, well-spoken words by the Ministers and several laymen, Mr. John Duley and Judge Cochran offered appropriate remarks which appealed to every one present. The latter gave his personal endorsement to the meeting, closing his remarks by a reference to the Y. M. C. A., which is always on his heart.

After the several informal speeches, Dr. Ely gave a stirring address to the men, appealing to them to lead the Christian life, asking them to take Christ and the Bible as their guide and creed. A deep impression seems to have been made upon the audience.

The Women's meeting at the Baptist Church and the Young People's meeting at the Central Presbyterian Church were very gratifying successes. The ubiquitous, ever-present Prof. Pierman sang at all these meetings. He would have been greatly missed at any of them. "Tis wonderful how well he does his part all the time, working as hard as he does. He is certainly one of God's worthy laborers and seems to be the very man to be associated with Dr. Ely in his great "work of faith and labor of love."

The meeting at night was a fitting conclusion to the day's services. The house was crowded, despite the weather's coldness. The text was from the twelfth chapter of Hebrews, "How shall we escape if we neglect so great salvation?" Dr. Ely proceeded in his usual clear, simple and forceful way.

"Salvation," said he, "is a word of wide application." The beggar, starving, will say, "Thank God, I am saved," when food is given him. The dying man, when healed by the physician, can say, "I am saved."

"But the salvation of my text is a greater salvation. If you can tell any one how to escape if he neglects such a great salvation, you owe it to the world to do so. How shall we escape?"

"How shall we escape! The sin of neglect is a great and terrible sin. You don't have to throw stones at the Preacher or the Church to be lost; you may simply neglect this great salvation and that is enough."

The Maysville Elks who put on the Minstrel Show at Washington Opera-house some two weeks ago journeyed to Flemingsburg last evening where their performance was reproduced, with a few additional features. It is needless to say the boys made a big hit.

Doan's Kidney Pills reach the root;

Their work in Maysville proves it.

You read of cures made years ago,

And the cures were lasting cures.

Read the following:

Mrs. Mary Thomas, wife of J. A. Thomas of

204 Limestone street, Maysville, Ky., says:

"I am only too pleased to confirm the statement I made in the spring of 1900 recommending

Doan's Kidney Pills, after they had relieved me of

backache and other symptoms of kidney trouble. I got them then at J. Jas. Wood &

Son's Drugstore. During the years that have elapsed since I made that statement, I have had

occasion to give Doan's Kidney Pills a further trial, and I have found that it requires only a

few doses to ward off attacks of kidney trouble or to check them before they become

serious. I can also point to the case of my

boy, twelve years old, who at the time I first

used Doan's Kidney Pills was troubled a great deal with weakness of the kidneys and could

not control the secretions properly. I gave

him Doan's Kidney Pills and he improved rapidly under the treatment. The relief he found has

proved lasting, and from his experience and mine I am certainly warranted in recommending

Doan's Kidney Pills."

A number of tobacco growers and brokers are preparing to market their tobacco by the latter part of this week. They were still hoping, however, that the committee which is in New York City in the interest of the Burley Tobacco Growers' Association would be able to raise the \$10,000,000 required to handle the present White Burley crop. A gleam of hope was a message Monday to Cincinnati parties from Archibald Stuart, who is still in New York, stating he had discovered a financier able to raise half the amount necessary, and that together they were making an effort to raise the other \$5,000,000.

ANOTHER TRIBUTE

Well Known Cincinnati Kind Words For Colonel George Rosser

Maysville never sent out into the world a better or a more successful man than "Billy Carpenter," as he is universally called; and his goodness of heart was never more manifest than in his expressed regard for a life-long friend, set forth in the following characteristic letter—

W. B. CARPENTER: February 7th, 1905.

My Old Friend Thomas: I have read with "sweet old-time pleasure" your beautiful and well-deserved tribute to our mutual good friend of more than half a century—dear Colonel George Rosser.

I cannot realize that any one of George's boy-day and school-day friends have thought of me and more affectionately of him and his kindness than has been my experience. In our Whitaker school days in Short street often did he hand me nice pieces of maple sugar and other goodies, and much did I enjoy eating same. My testimony is added to yours with regard to his never uttering a harsh word or expressing an unkind feeling, &c. In that, George is beyond prominence. A kinder heart, a warmer friend, a lovelier man I have not known; and I was a faithful reader of his good paper until the want of health made a wanderer of me, placing me where I could not get it regularly. I also received your good journal for many years, and discontinued only for same reason.

Thomas, we are all older than when we first met, and the penmanship of some of us is much changed, as well as looks, activity, &c.; but let us all be friends and walk down the shady paths hand in hand. Let me finish with your own words, "God bless you, old man!" Truly your friend,

W. B. CARPENTER.

The BEST Comic Opera ever seen in Maysville.

THE FORTUNE TELLER.

Columbus (O.) Press-post of February 7th says—

"The Fortune Teller," a bright and tuneful comic opera, made famous by Alice Neilson, the original star, played its initial performance Monday night to a large audience at the Grand.

Those who saw the performance were surprised at the success of Grace Orr Myers, who showed remarkable ability and not only pleased the audience with the music of her voice, but also moved her auditors to irrepressible laughter by quaint tricks of comedy. Henry Turpin as Sandor, a gypsy musician, comes next to Grace Orr Myers in calling the roll of honor. He can easily be classed as one of the best singers of the cast. Ivy Davis and Amy Lake both deserve a share of credit for the success of the performance. Their singing was entertaining and acting very commendable. Good music and sparkling comedy are the features of the performance.

At the Washington Opera-house soon.

The Lawrenceburg Commercial Club is to be incorporated with a capital stock of \$1,000, divided into 1,000 shares of one dollar each.

The Lagrange Oil and Gas Company has been organized with a capital stock of \$7,000. It will operate in Wolfe county, where 700 acres of land have been leased. Drilling will begin about March 15th.

The Cloverport Water, Light and Ice Company has been organized with a capital stock of \$5,000. An ice factory with a daily capacity of ten tons will be erected, and it is intended later on to build a waterworks and electric light plant.

ATTENTION, EVERYBODY!

Every One Should Assist in the Coming Tobacco Fair

The Sixth Annual Tobacco Fair will be held in Maysville Wednesday, February 22d, Washington's Birthday.

Every farmer in Kentucky and Ohio who raises tobacco, corn, wheat or potatoes, should be present and make an exhibit on that occasion.

The Maysville Tobacco Fair has done more to favorably advertise the Burley Tobacco producing section of Kentucky and Ohio than anything else that has ever been inaugurated.

It should be the pride of every citizen to make the one this year a greater success and a greater benefit to the farmers than any previous Fair.

Good music, short spicy speeches and about \$300 in gold to be distributed will be features of the day.

Excursion rates will be given on all railroads, and a train leaving Maysville at 5:30 on the L. and N. that afternoon. Let everybody come.

**"There Isn't One Really Good Printer in Five Hundred."**

Printers' Ink - the leading journal on publicity of all kinds - has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, no matter where it comes from."

Printers' Ink knows what it is talking about. Poor printing is a bad investment - it's worse than a blank. A business man's stationery or booklet is like a traveling man - if it's neat, well-dressed and to the point, the first impression is good and your chances of doing business on the strength of it are good.

We realize this. We keep abreast of the times. We know what good printing is and produce it. We are pretty careful not to let a bum job get onto our presses. No press in the country can better our printing and we want you to know it.

Robert Bare has rented a farm in Montgomery county, Clarence Doyle one at Goddard, Edison Gilson at Beechburg, Robert Thomas at Mt. Sterling, Eli Lightner in Bath county, Mr. Pettit in Mason county and Commodore Politt at Vanceburg. All will move the first of March.

Miss Maggie Carpenter closed her school at the Valley Monday, January 30th, with an excellent treat of candy. She has just finished her second term of teaching. The best we can say for Miss Maggie is that she gave such satisfaction as to have the promise of this school for this coming fall.

If a few more of our leading inhabitants would only do as much to improve our little village as J. L. Markwell and P. E. Million, it would soon be a thing of beauty, whether a joy forever or not. Mr. P. E. Million has enlarged his store room until now you almost have to have a guide to pilot you 'round the room. The Postoffice has been moved back from the door so far that you almost have to 'phone for the mail. If all of Foxport's buildings should be enlarged so much the Capitol Building would sure be removed to Foxport before Washington's Birthday.

The Ladies' Aid Society of the Baptist Church will serve dinner Tobacco Fair Day.

**Sure Relief for Women.**

No. 18 Central Ave.  
 Box 514, Maysville, Ky., April 20, 1905.

Eighteen months ago I was so completely run down that my body ached from head to foot. My back seemed to break in two and I suffered intense pain in the lower abdomen. I could not afford to lay off and take a rest, and no medicine helped me any.

A friend told me how much Wine of Cardui built her up and advised me by all means to take it. The day I took the first dose the recovery of my health began. It was nearly three months before I was entirely cured, but at the end of that time I was in better health than I had been for seven years.

I look on Wine of Cardui as the most blessed medicine that a woman could possibly take when she feels sick and tired of life.

**Anna Nelson**  
 ORATOR, WEDNESDAY CHAUTAUQUE CLUB.

**WINE of CARDUI**

Mrs. Nelson describes the condition of thousands of women. That condition comes by slow stages. Usually the important function of menstruation is at first slightly irregular. Then comes the painful periods. Bearing-down pains and ovarian inflammation follow. Finally the nervous system gives way and the whole system has become affected and the pains rack the body from head to foot.

Wine of Cardui is a menstrual regulator of established reputation. No woman who takes it suffers as Mrs. Nelson suffered. It gives speedy and complete relief from the torturing menstrual agonies which are making so many women invalids today. Do not let yourself come to the pitiable condition Mrs. Nelson describes.

Secure a bottle of Wine of Cardui from your druggist today and begin treatment immediately.
